From Fr. Greg Havel.....

November is getting closer. November is the last month of the Church year. We begin a new Church year with the 1st Sunday of Advent (this year Nov. 26 & 27). November is a month dedicated to the end times. Our readings at Mass throughout the month speak to us of the end times and the coming of the Lord to judge all things.

Throughout the month we remember in our prayers all who have died. All Saints Day is Nov. 1 and All Souls Day is Nov. 2. I invite and encourage all of us to take time to pray for those who have died and to seek the prayers of the Saints for ourselves and all God's people.

In each of our parishes, there will be once again a Book of Life in November. We are invited to write the names of loved ones who have died in the book. Take time to read the names and pray for them. They will be remembered also in the Prayers of the Faithful.

Next week in the bulletin there will be a list of all the people whose funerals we celebrated last year. Please pray for them. ~ Fr. Greg

St. Casimir School Update...

News from SCS Kindergarten Submitted by Diane Edwards

At St. Casimir's School, we have six enthusiastic, outgoing and imaginative kindergarteners this year. We are off to a great start working with letter names and letter sounds, differentiating between letters and words, working with numbers and being scientists. Most importantly learning how God has created the amazing world we live in and how to be followers of Jesus. Each student has their own beginner's Bible. This is one of their favorite books to read during independent reading time. Learning to read is an important concept in kindergarten. Students have learned the three ways to read a book: 1) Read the pictures 2) Read the words 3) Retell the story. Retelling stories has been a highlight of language arts. What a joy it is to see these young learners retell stories.

Month of the Holy Rosary at STC School

With October being celebrated as the Month of the Holy Rosary, St. Casimir students are learning about the mysteries of the Rosary and are collectively praying a decade each school day. "How is this done?" you ask. With a mystery decade consisting of one Our Father, ten Hail Mary prayers and one Glory Be, the Our Father is prayed during lunch when the student body is treated to a reenactment of that day's mystery—such as the Visitation of Mary to Elizabeth or the Baptism of Jesus. The ten Hail Mary "beads" (paper plates with an image of Mary) are provided to the preschool through sixth grade classes. With their teacher's assistance, the students pray their allotted number of beads each day as a class or by taking turns with individual students leading the prayer. The day's decade is then closed out by the fifth and sixth grade students with the Glory Be prayer at the end of the day.

While the benefit of prayer is first and foremost, the students are also learning about the history of the Rosary as it portrays the major events in the life and resurrection of Jesus, practicing their public speaking skills and learning how to organize a theatrical production. We pray that this month of the Rosary will lead us all closer to Mary our Mother, as she points the way to her son Jesus.

Library Assistance Needed

We are looking for help reshelving library books that students have checked out, read and are returned to the library. The days and times are flexible. Contact Diane Edwards at 507.553.5822 if you are available.

NWEA Data/Teacher Professional Development

St. Casimir's students have completed their fall NWEA testing. New this year is an opportunity for all of our staff to receive data analysis professional development through Bluum from a technology grant. Our teachers will learn how to effectively read, understand, and report the data. This will include how to take the data and adjust teaching to meet the needs of our students. This training will be provided for all staff for fall, winter and spring data sessions. We will be reporting student scores and growth from fall to winter as we receive this data. This is an amazing professional development opportunity to provide instruction to best meet our students' needs.

What is the Eucharistic Revival?

This was inspired the Bishops of the United States to action. They envisioned a true Revival to rediscover the source and summit of our Faith through a deep commitment to be a part of renewing the Church by enkindling a living relationship with the Lord Jesus Christ in the Holy Eucharist. Learn, Grow, Share. Explore the Reality of our Eucharistic Teaching, there are so many resources on this website. Eucharisticrevival.org. The Mission is to Renew the Church by kindling a living relationship with the Lord Jesus Christ in the Holy Eucharist. The Vision is a movement of Catholics across the United States healed, converted, formed, unified and sent on Mission by an encounter with Jesus in the Eucharist. This is so worth checking out!!!

As Catholic persons this is a way of deepening our faith and sharing with ours. Go out and bring Jesus to the World.
