From Fr. Havel...

Next weekend we celebrate the Resurrection of the Lord. It is Easter! The greatest day of the Church year. We gather to celebrate eternal life as Jesus conquered sin and death and offers salvation to all God's children.

The Holy Saturday Vigil Mass will be celebrated at Our Lady of Mt. Carmel parish. (Please note the mass schedule for Easter in the bulletin). Preparations are in progress, the choir has been practicing, and all will be ready for the Vigil Mass. We will begin outside the front doors (weather permitting) with the lighting of the new fire and then process into the Church as we proclaim Jesus as our risen savior. The Vigil Mass begins at 8:00 pm. It is to begin after sunset. May God bless our celebration of Holy Week so that the resurrection of the Lord may truly bring the power of God's love to our hearts, families, and world. ~Fr. Greg

School Update.....

Greetings from the SCS Students in Grades 3-6!

During Women's History Month in March, the students read about important women from our country and others. One important person was Yousafzai, the young woman from Pakistan who was shot by the Taliban for standing up for the right to an education for girls. She went on to win a Nobel Peace Prize for her bravery. Another woman was Elizabeth Blackwell, the first American female doctor.

The third and fourth grade students are continuing to learn about the regions of our country in their Social Studies lessons. They are just finishing the southeast region and learning about the Civil War. The students have also gained knowledge about the cities, natural resources and industries of this area. The fifth and sixth grade students are studying the life of people in the thirteen colonies, including the hardships of the early settlers along with the harsh reality of slavery. We will soon be moving on to the events that led up to the Revolutionary War and our country's independence.

On Fridays, the four grades gather to learn about economic studies, including the invention of the assembly line by Henry Ford. The students were placed in groups of four to create their own assembly lines by making candy cars. Two students put on the tires (round peppermint candies), another put on the seat (Jolly Ranchers) and the last person installed the steering wheel (life savers) which was held up with Dot candies. I think they will remember this tasty lesson about the process of assembly lines!

Knights of Columbus members will be selling raffle tickets for the Minnesota Knights Foundation Statewide Raffle after this weekend's Masses.

Last year our council sold 2 of the top 11 prizes, including the top prize, \$5,000! Our Tri parish communities have also benefited from this fundraiser by receiving matching grants from the Foundation totaling over \$3,200 dollars. You can also contact Harold Goeden at 553-5907 to purchase tickets.

Thank You! Our heartfelt thanks go out to the men of the Knights of Columbus and the women of the CCW who showed up on a couple of Saturdays recently to help clean the church basement. Windows, curtains, lights, and the storage room look so nice!
