From Fr. Greg Havel...

There are people who love to be busy. They may complain at times about how busy they are but they keep making decisions that keep their lives always in a state of movement. God, in the first Book of Kings, speaks to Elijah the prophet not from the strong and heavy wind nor from the earthquake, nor from the fire but God spoke in the "tiny whispering sound." When we allow our lives to be filled with the activity and noise of this world we run the risk of not hearing the voice of God that comes so often in a tiny whisper. May we make time for quiet and live with peaceful hearts so that as God speaks we will listen. ~Fr. Greg

The Sound of Freedom

There is a very good movie out entitled 'The Sound of Freedom' about the sex trafficking of children. Angel Studios is producing it. The same company that is making the 'The Chosen' series about Jesus. It is very well done, and a true story. The USA is the biggest consumer of sex trafficking of children. The purpose of making this movie was to make the public aware of this terrible evil and for parents to be aware and protect their children. If a person cannot afford to pay their movie ticket. Angel Studios has arranged a Pay it Forward program so others can contribute to cover their cost of their ticket. It is in theaters across the country through August 21st. The more people that are aware of this the better. Some parishes may want to offer to have people go as a group. It will greatly help the children.

Tickets can be purchased online at:

Walking on Water!

In today's Gospel reading Jesus did an amazing miracle- He walked across the sea! This was a sign that He was more powerful than nature.

Peter knew that he was supposed to follow in Our Lord's footsteps, so he asked Jesus to call him to come and walk on the water too. When Jesus called him, Peter got out of the boat and started walking on the water too! But soon he noticed how windy it was and got scared. As soon as he got distracted from Jesus, he started to sink, until Jesus took him and helped him up.

We are supposed to follow in Our Lord's footsteps too. When Jesus wants you to do something, He will give you the grace you need to do it, Just like He gave Peter the power to walk on the water. If you lose sight of Jesus and only think about how hard it is, you won't be able to do what God asks, just like Peter when he started to sink. If you realize that you're having a hard time doing the right thing, it's time to turn back to Jesus!
