

SCS participates in “ongoing fundraisers” – programs that are ongoing throughout the school year. These programs are easy and very helpful ways of supporting the school. A family’s willingness to support these programs and invite their friends and relatives to do so as well is much appreciated. For any program in which coupons or labels need to be clipped and redeemed, the items can be sent to SCS for collection and redemption. The current programs in which SCS participates are as follows:

<u>Program</u>	<u>Items to Redeem/ Things to Do</u>	<u>What We Receive</u>
General Mills	Clip & Save Boxtops	Funds
Capri Sun	Capri Sun drained containers	Funds
KASH4KIDS	Save Hy-Vee Receipts	Funds
Best Choice Labels	Clip & Save UPC	Funds
Primary.com	Order Online	Funds
Coke	Coke Rewards caps and/or redemption codes	Free Items

SCS also participates in SCRIP. SCRIP is a fundraising opportunity in which you purchase gift cards to stores from the school to use on everyday purchases (such as gas and groceries) instead of the usual credit/debit card or other forms of payment. Through individual participation in this program, families then receive a credit towards their family’s tuition account. If you don’t have a child that attends SCS you can choose a student of your choice to give your credit to or it can go in the general fund for SCS. More information on this program is available through the project chairperson.
